ABOUT FOUNDER & CHANCELLOR

Dr. L.R. Yadav

B.Sc, BE, ME, PGDM, MBA, PHD

The Alard University Pune was established, under the dynamic leadership of Dr. L.R. Yadav with an objective to provide quality management education fulfilling the needs of the corporate world in the 21st century.

Being a part of Agriculture Family in a small district of Deoria (UP), His vision of life to become a successful Entrepreneur, after schooling education shifted to Pune for higher education and joined hands in family business and expanded the Alard Group. He founded Alard Industries Limited in 1988 and setup the manufacturing unit for machineries for sugar, cement and power plants. The company has executed turnkey Projects in Sugar Industries. His zeal to build a better nation shifted to establishment of Educational Institutions in Pune which is focused on Professional and Higher Education in Engineering, Management, Pharmacy, Law, Junior College, School and Sports .

OUR VISION

At Alard University Pune our vision is "career-led and applied university to produce well-rounded learners and graduates sought by employers" and becomes a transformative force for individuals and society. Our vision is to be a beacon of academic excellence, fostering innovation that empowers students to think critically, innovate boldly and contribute meaningfully to the global community. We aspire to be a hub of intellectual talent, cultural diversity and dynamic leadership, dedicated to shaping well-rounded individuals who are not only experts in their fields but also compassionate, socially responsible citizens. Through cutting-edge research, inclusive education and collaborative partnerships, we aim to be a catalyst for positive change, driving progress in India and World. Our commitment is to inspire minds, ignite passions and illuminate paths to a brighter, more enlightened future for all.

OUR MISSION

"Our mission is to empower students with knowledge, skills and values that transcend boundaries, fostering intellectual growth and societal impact. Through innovative education, we aim to cultivate critical thinking, nurture creativity, being responsible and instill a sense of social responsibility to serve the humanity. Our commitment is to provide a dynamic learning environment that prepares students to excel in their chosen fields, contribute meaningfully to the community, and lead positive transformations in India and world."

ABOUT ALARD UNIVERSITY PUNE

ALARD is an acronym, which stands for **A**ttitude, **L**eadership, **A**lertness, **R**eadiness and **D**edication. Established in 1999, under the dynamic leadership of Dr. L.R. Yadav with a vision to plough knowledge in the mind of students and cultivate entrepreneurship which will enhance their careers and jobs for youth and becomes a transformative force for individuals and society.

ALARD is an dream journey of Dr. L.R.Yadav, began as farmer's son to Chancellor of Alard University Pune. Dr L.R. Yadav, in the ongoing journey of 30 years, gained initial experience of industrial engineering which led him to go on an expedition of his education path to set up first institution. Dr. L.R.Yadav with his instrumental mind lead to the growth of Alard University Pune

The Alard University Pune is a beacon of quality education, dedicated to empowering futures and shaping the careers of professionals of tomorrow. Driven by the vision of Dr. L. R. Yadav, this educational initiative has overcome numerous challenges to become one of Pune's prestigious institutions. The collective efforts of ALARDians have transformed this vision into a reality, leaving an indelible mark on the educational landscape.

WE ALARD UNIVERSITY PUNE

*"Empowering Futures, Shaping Careers:
Where Innovation Meets Employability"*

Quality Education and Professionalism:

The primary objective of the Alard University Pune is to provide high-quality education that prepares students for successful careers. This commitment is reflected in the careful selection of experienced professors who serve as mentors, guiding aspiring students towards academic excellence. The University has become a sought-after destination for students not only from Maharashtra but also from various states of India.

Campus Experience:

Alard University Pune ensures that students have a pleasant and enriching stay during their academic journey. The campus environment is designed to foster learning, creativity and personal development.

State-of-the-art facilities and a conducive learning atmosphere contribute to an overall positive experience for students, laying the foundation for a successful and fulfilling career.

Global Reach:

While rooted in its hometown of Pune, Maharashtra, Alard University Pune extends its reach beyond local boundaries. The University actively contributes to the community and economy of Pune, strengthening its ties with the city. Simultaneously, Alard University Pune has a global perspective, engaging with individuals and institutions worldwide. This international collaboration aims to promote cultural understanding, address global challenges, and contribute to the betterment of society.

Partnerships and Collaborations:

Alard University Pune believes in forging partnerships and collaborations to enhance the overall educational experience. By collaborating with local and international entities, the institute broadens its horizons and provides students with diverse opportunities. These collaborations also contribute to the institute's mission of producing well-rounded individuals equipped to tackle challenges on a global scale.

Future Outlook:

The Alard University Pune envisions a future where its graduates emerge as leaders and contributors to the society. By consistently providing quality education and fostering a global perspective, the institute is dedicated to training the next generation of world leaders. The Alard legacy is poised to endure, leaving an everlasting impact on the educational landscape and the professionals it nurtures.
